

Sponsorship Package Clay Pigeon Shoot 21st June 2024

Care for Veterans was established in 1919 to care for those soldiers returning from World War 1 with life changing disabilities. For over 100 years, we have provided long term nursing care, rehabilitation, respite and award-winning end of life care to disabled ex-armed forces personnel from the RAF, Army, Royal Navy and auxiliary services.

The Clay Pigeon Shoot is a well-established Care for Veterans Event.

We have x5 sponsorship packages available at £250.00 each.

Each Sponsor will have their logo and details displayed on boards at each of the shoot stands at the event. Southdown Gun Club will then continue to display the boards for a further 12 months.

For all enquires for event sponsorship please contact Myra Jasper 01903 790349
